

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

June 10, 2008

The June 3, 2008, State Primary Election appears to have gone off with relatively little problem. While the County was successful in the conduction of this election, there is always room for additional improvement. I believe it would be beneficial to hear from our acting Registrar-Recorder on both the successes and areas that he feels can be improved upon.

I, THEREFORE, MOVE that the Board of Supervisors instruct the Acting Registrar-Recorder to report back in 30 days with a full analysis of the June 3, 2008, State Primary Election.
